# ORDERED TO REGISTER CHILDREN

Names Must be Placed With Health Officer Brophy Within Twenty-four Hours After Arrival From New York-County Health Officials Held Conference Here Yesterday Morning-Quarantined Case Shows No Further Development of Infantile Paralysis.

fficials held in this city on Monday morning it was decided that an order to prohibit the entrance of children from New York during the infantile paralysis epidemic in that city, would be impracticable at the present time. It was the opinion of the officials that the methods now being followed are the proper ones.

Present at the conference were Vestin Officer Arthur M. ounty Health Officer Arthur M. rown, Secretary J. T. Black of the State Board of Health and City Health Officer Edward J. Brophy.

The officials declare that any child coming from New York city during the epidemic should be carefully watched and if the child showed any symptoms of fever it should be looked upon as a suspicious case Avoitsymptoms of lever it should be looked upon as a suspicious case. Awaiting development of fever before reperting such a case would be improper as it may be three or four
days before the paralysis stage appears. All such children are to be for the next few days.

At a conference of the county health put under a strict quarantine and flicials held in this city on Monday closely watched. If it is decided that complete it was decided that an order ease the quarantine will be immediately lifted. Dr. Brophy says it is advisable that those families having advisable that those families having New York children with them at present should have the children use their own eating and drinking utensils. All those having charge of children from New York are ordered to register the names of the children at the office of Health Officer Brophy at Room 10 in the Shannon building between 3 and 5 p. m. The order calls for registration within 24 hours time after the arrival of children here. Dr. Brophy said he had issued this order

Brophy said he had issued this order so that it would be possible to tell just what children are here from New York and also to keep track of the quarantine period of three weeks.

Fred A. Towns Tells of the Great Work Being Done by Southern Institution.

At the evening service of Broadway ngregational church, Sunday, Fred Towns of the Atlanta university ske of the university and a quartette from the university sang. Mr. Towns, said Atlanta university differs from other institutions for the ducation of the negro. It attempts o give a more thorough training to hose who so out and become teachers those who so out and become teachers and leaders of the negro people. That work is very important because of the nature of the life of the negro in this country which is a life apart and a life whilch does not give the negroes a chance to learn through contact. This makes it all the more important that they should have in their ranks negro men and women who can set up ideals towards which all others can

ideals towards which all others can work and strive.

The value of this work has been proved by the fruit it has found in the fifty years of its existence. And that the graduates have and are taking part and often leading in every in ing part and often leading in every imortant negro movements in the south
